Good afternoon,

I wanted to inform all of you that the San Pedro Property Owners' Alliance voted unanimously to oppose the Hot Import Nights event in downtown San Pedro. It is my understanding that the POLA does not want this event on their property either.

I am writing to you to clarify our position and to seek assistance on how to prevent this event to coming to San Pedro. I know that our office assisted them last year in getting the street closure permit.

I am concerned because their website actually states that they will be coming to the streets of San Pedro.

– Annual HIN Supershow

I look forward to any feedback you can provide to us.

Best regards,

Lorena Parker
